EMAIL OPTION FOR COMMISSION STATEMENTS

For all those currently enrolled or new enrollees in direct deposit for their commission checks, we are now offering a way to receive your statements by email.

Here are some advantages:

- You would be notified in more timely matter about your commission amount and the date that it will post to your account.
- This new procedure would eliminate the waiting process for your statements after the check has already been deposited in your account.
- If you are out of the office and still have access to your email then you can check on the status of your deposit.
- It will eliminate paper reports and you can save it in your directory on your PC. Otherwise, you can still print the reports if needed.

All that we would need from you is the email address to which you would like the statements sent.

Please fill out the following information if you are interested.

Name	Email Address
